

PRESIDENT'S AWARD OF APPRECIATION

Doug Stanbrook, Vice-President and Audrey Waddy

Audrey Waddy, is a founding member (1972) of the 3rd Canadian B-P Guild (Cowichan Valley)

Audrey's term of office as Registrar/Treasurer of the Canadian Council of B-P Guilds (now called the Canadian Fellowship of B-P Guilds) ended in 2001 after 12 years of distinguished service. She served another two years as Executive Assistant to the new Registrar/Treasurer. She was relentless in her duties at handling Guild members' registrations (note the number of articles she wrote in *Mamook Papah* regarding tardy registrations). She did an excellent job at communicating with Scouters across Canada in order to give them information and advice on how to proceed with all the work needed to start-up a new Guild.

She maintained an inventory of items, such as crests, ties and badges, available for purchase by Guild members in Canada and sold these Guild supplies to all the Guilds across Canada.

She represented her own Guild and all the Canadian Guilds at numerous Provincial and Canadian Jamborees. Audrey, representing the Executive Committee, attended many of the Annual General Meetings held in both Eastern and Western Canada. She was a very welcome visitor as she was able to answer many questions and disperse a variety of information on the activities of not only the Executive Committee, but of the work being done by many of the Guilds across Canada. Because of this, during the 90's, she was certainly one of the best known and well liked members of the Executive Committee.

Audrey officially represented the Canadian Council, and then the Canadian Fellowship, at a number of ISGF World Conferences at her own expense, her latest being the one recently held in Vienna, Austria in 2008. In attending these Conferences, she has been an excellent ambassador for the Canadian Fellowship abroad as she brought not only her outgoing personality, but also a wealth of knowledge about the activities and views of the B-P Guilds of Canada.

In her efforts to promote the exchange of information of interest to all Guilds across Canada, she wrote numerous reports and articles for *Mamook Papah* on issues regarding the Canadian Council (Fellowship) as well as her own Guild. Her reports and articles, from both a personal and general perspective, have followed each Guild experience, be it local, national or international, each one engaging the reader's interest as she gives you the full picture of the event.

Audrey is another Scouter who throughout her life time has practiced the aims and principles of our Founder in all facets of her personal, Scouting and B-P Guild activities.

For her distinguished service to the Canadian Fellowship of B-P Guilds, Audrey is hereby presented the B-P Guilds of Canada "President's Award of Appreciation".

Hsin Kan Chen

CHEN, Hsin Kan of 42nd B.P. Guild (Zhong Hua), Vancouver, B.C. passed away on Sept. 29, 2009. As a boy, Kan was a proud member of the 1st Victoria Chinese Troop from 1932 - 1934. He continued in Scouting as the beloved leader "Hawkeye" with the 32nd Vancouver Centre Group, the 116th Chung Wah, the 32nd East Vancouver Scout Group, 188th East Vancouver Scout Group, and 68th East Vancouver Scout Group. He also helped found the 42nd Canadian B.P. Guild. He wrote two booklets on Scouting, "Chinese Scouting of Greater Vancouver and Victoria" and "B.P. Trail and Beyond: The 1st Victoria Chinese Troop." He received many awards for his 77 years of Scouting including the bar to the Silver Acorn. He was one of the oldest active Scout leaders and Guild members at 91 years old until his recent death. He is survived by his wife Alice, sons Cedric, Lister, Ingram, and Regan as well as many relatives and friends. His last message was to keep Scouting alive, well, and strong! He will be sorely missed. Those wishing to make a donation in memory of Kan can do so to Scouts Canada, 664 W. Broadway, Vancouver, B.C. V5Z 1G1.

2009 – V-P ON THE ROAD

An idea is fostered, a plan developed and an action taken.

It all started with e-mails being sent to 8 B-P Guilds in British Columbia, Alberta, Saskatchewan and Manitoba. We had previously mapped out a rough itinerary, in order to make sure we had enough time to get from one Guild to the next, at the same time not forgetting family and friends, that we wanted to visit. With all 8 Guilds responding, we now had places to go, with dates and times set. We were now able to put the final touches on travel and accommodation arrangements.

We set forth mid June heading for our first stop Kamloops, British Columbia, and a pot luck dinner with the 28th Cdn. B-P Guild (Kamloops). Our hosts for the afternoon and evening were Dick & June Stewart. The Guild continues to provide service to the local Scouting Groups. Their Guild Mistress, Ella Beckett and the rest of the Guild have been (or about to be given), by the Area Scout Administrator (Barrie Lockton), the task of writing up the history of Scouting in the Kamloops area. We finished the evening with a video presentation, by one of the city's fireman, on "Operation Nicaragua" -- how a few can help so many.

The next stop was just down the road to Vernon, British Columbia to meet with the 5th Cdn. B-P Guild (Vernon). Unfortunately, our get together did not take place.

We moved on to the East Kootenay Area in British Columbia to meet with the 55th Cdn. B-P Guild (Cranbrook). We enjoyed a dinner meeting at the home of Guild Master Bob Osborne and his wife Linda. Eugene, a local member, joined us for coffee. Many of the members are from the outlying areas and as such were unable to attend. We were told how the Guild plays a big part in assisting Scouting in the area through fundraising ie. popcorn and sandbags.

Next stop, southern Alberta and the City of Lethbridge, the home of the 68th Cdn. B-P Guild (Windystone). An afternoon and evening of fellowship c/w a BBQ awaited us at the home of

Rick & Joyce Ross. We were welcomed by Guild Master Larry Jones who "individually" introduced each member. We were surprised by the visit of two Scouters, Brent & Linda King (Brent was the Executive Director of the old Fraser Valley Region in BC.). The Guild, this year, is the administrative team for the Scout Camp to be held at "CAMP IMPEESA" (located in SW Alberta). The Guild is assisting (nurturing) a number of ex-Rovers, who are interested in forming their own Guild.

Again travelling East, we arrived in Carlyle Saskatchewan, near to the temporary summer home of the 64th Cdn. B-P Guild (Weyburn). At the time of our visit, the entire Guild was involved in their annual 10 day Scout Camp "CAMP PI-ANUE" located in Moose Mountain Prov. Park. (just North of Carlyle). We were welcomed to the camp by Don, Verne, Allen, Wayne, Dennis and Lockie. Yes, the camp is a self-contained, pack it in – pack it out, standing camp, held on the shore of a lake some 12km. down a gravel prairie gumbo, road (if that's what you call it) – thank goodness it was dry the day we were there. This Camp is administered and run entirely by the Guild. They may be few in numbers but they provide a fun environment with a learning experience for over a hundred youth and leaders each year.

Our most Easterly destination took us to Winnipeg, Manitoba to meet with the 11th Cdn. B-P Guild (Winnipeg). At a buffet luncheon, we were welcomed by Assistant Guild Master Roger Kingsley and were introduced to the Guild members in attendance and their guests, among them the Council Commissioner (Dr. Mike Papst) and Council Executive Director (Gary Waycik) for Manitoba Council. Since our visit, Gary has Gone Home. Scouts Canada has been working with the Guild to utilize their knowledge and experience in the area of "service". The Guild are the coordinators for Scout Trees and the "Over The Hill Gang" has been at the forefront in warehousing, sorting and shipping popcorn to all the Groups in Manitoba and Northern Ontario.

From here we headed North West to Edmonton Alberta and a dinner meeting with the 101st Cdn. B-P Guild (Edmonton). This newly formed Guild is made up of ex-Rovers including their Advisor. Their Guild Master, Rob-in Benbow leads this enthusiastic, keen young group referring to themselves as "Old at Heart". Most of them are still active in leadership roles within Scouts Canada. They have a unique meeting place, c/w breakfast, on Saturday morning; next time through I plan on joining them.

Our final visit was back in British Columbia with the 22nd Cdn. B-P Guild (Prince George). Early morning coffee with Guild Master Tim Thompson, his wife Gail and J. Mary Paulson, set in motion the agenda for the day. After a tour of the UNBC (University of Northern BC), we all gathered at the historic R. J. Blackburn House (their meeting place). We were given a tour of the house by Roy Goodkey (grandson of R. J. Blackburn) & his wife Sandra. We then enjoyed a BBQ dinner, followed by a video presentation of the Guild's Western Adventure Train Trip. (first part of the train trip in Summer 2009 Mamook with conclusion to follow in a future issue). An enthusiastic Guild with lots to offer.

To all the Guild members & guests that Donna & I had the pleasure of meeting: "A Canadian Fellowship -- Thank You"

Doug Stanbrook
Vice-President (2007-2010)

The 17th (Zhong Hua - Richmond, B.C.) held awards recently. Recipients included: 10 years - David Chan; 15 years - Kelly Ip, Stanley Kwok, Raymong Leung, Wah Sun Lee, Mario Li, Ivan Tam and K. K. Wan.

The Canadian Fellowship of B-P Guilds Recognition Award went to Mario Li, Christopher Yeung and Dorothy Chu Yeung.

Youth of the year awards went to Kyle Lee (Beavers), Jonathan Lee (Cubs), Vincent Chung (Scouts), Ivy Wan (Venturers). Scouter of the year: Alex Chow. Other awards went to Ivy Wan, 32nd Richmond and Winona So, 8th Vancouver Guides.

2nd (Victoria BC)

Although small in numbers, our Guild has been quite active all year. Due to illness and other commitments we were unfortunately unable to furnish delegates to the AGM held in September 2008 at Camp Byng.

October saw monies from our Guild donated to the 30th Guild who for the past few years have undertaken the upkeep and maintenance of Scout House here in Victoria.

In November, member Jack Scrivener shared a historical letter referring to a 1909 scouting event that noted the visit of "Lord Baden Powell to Victoria as well as to Camp Busk near Nelson, B.C. Pat Kelly, a scout with the 1st South Cowichan Troop in the 1930's, showed a copy of a diary he had acquired, of a bicycle trip undertaken by two senior boys of the troop in the summer of 1937 from Victoria, B.C. to Washington, D.C. bearing greetings and good wishes from the then premier of British Columbia, the Honourable D. Patullo, to U.S. President Franklin D. Roosevelt. The diary was loaned to the Guild and will be placed in our Scout House archives. A dedicated archives team has spent much time and effort over the past years organizing, arranging and cataloguing our numerous artifacts.

In December, several members and guests attended a Christmas dinner and entertainment hosted by the 1st Victoria Trefoil Guild in Guide House, and we held our annual Christmas get together in a local restaurant.

February being Founder's Month, the members attended a church parade at Cordova Bay United Church. Also member Dr. Brian Carr-Harris with one of his senior scouts, gave a talk accompanied by a slide show telling of their troop's 2008 journey to Ottawa and area plus a trek and camping trip to the Cape Scott area of northern Vancouver Island.

In April, members were presented with their B.P. Guild service certificates and an accompanying year pin.

June being our last official meeting for the 2008 - 2009 year, the executives were selected for the coming year, also two delegates named for the B.C. AGM to be held at Qualicum on

Reports from the Guilds

Vancouver Island Sept 19th/20th hosted by the 15th Guild.

In July a barbeque was held in the Deep Cove area in Saanich at the summer home of member Jim and Mrs. Gower. Good food and fellowship along with splendid weather made it a thoroughly enjoyable occasion for members and their guests.

During the past year many new plaques were acquired and mounted on our memorial Gone-Home board that our Guild maintains at Camp Barnard in the Sooke district.

7th (Bytown)

Our Guild continues to support national and regional Scouting. Currently, Guild member Don Judd serves as Secretary and Bill Fettes as a member of National Council's Committee of Friends of the Museum of Canadian Scouting. The distinguished four member "Judd Team" continues to assist the Scout Office gang, at various times, with extra hands to sort, file and stuff a variety of documents. Thanks to the efforts of our Catering Team, we were able to donate to the Council for Camp Opemekon, \$200 to be used for the construction of the new Rover Crew Cabin and \$500 towards the repairs to the Dining Hall.

The 7th B-P Guild (Bytown) accepted an invitation from the 35th B-P Guild (Limestone) to attend a dinner they were hosting on May 2nd. Four of our members were able to go and Ken Hall, our Guildmaster, accepted from Linda Bates, an International Scout and Guide Fellowship World Committee Member, a Certificate thanking us for our financial support of the ISGF's Western Hemisphere Development/Education Project for Children of Northern Haiti. An excellent meal and an entertaining evening were enjoyed by all.

Good things seem to come in cycles. This past Guild season is one that will stand out in our memories more than some of the others. Quite a number of members were recognized

through the awarding of pins, certificates and medals for their long service to the Guild and to Scouts Canada.

At the Council's Annual General Meeting, Commissioner Doug Hall presented Don Judd with his 40 year Bar and Bill Fettes with his 45 year Bar to their Long Faithful and Effective Service Medals.

At our April Guild meeting, in a better-late-than-never celebration, two of our Guild members were recognized when our Council Commissioner Doug Hall presented the Commemorative Centennial Medal to a very pleased Dottie Thompson and George Dunne.

The new B-P Guilds of Canada Service Pins and Certificates were

very well received by members of the Guild. At our April meeting, 18 of them were given out, seven of them were for 25 years service, and they went to founding members Murray Miller, Dick Cowan, Audrey and Dave Ridge, Dottie Thompson, and Gladys and Ken Hall.

Our season ended with our Annual General Meeting held at Kristy's Restaurant in May, and our Annual Picnic at Dottie Thompson's home in June.

In September David Ridge "Went Home", he was a founding member of our Guild and a past Guildmaster, he also was our Historian and a faithful member of our famous Catering team.

- Ken Hall, Guildmaster

7th (Bytown)

It was with a great deal of pleasure, that members of our Guild, gathered at our second meeting of the season on October 19th, welcomed

and invested our newest member, Ted Kelly.

He is well known to all of us through his long distinguished service to our Voyageur Council, especially as a former member of the acclaimed Camp Opemikon Rover Crew. These were the Rovers who are responsible for all the catering activities taking place at Camp, whether it be for groups of youth and leaders camping, or leaders for training sessions.

Members were especially pleased to welcome into our midst, our long time friend Ab Kemp. He has just moved to Ottawa from London, Ontario, where he had been an enthusiastic member of the 20th B-P Guild.

Our Catering Team has resumed its activities for this new season, so once again we are looking forward to raising funds that we will be able to donate to our Council for its various youth activities.

- Bill Fettes

28th

You should've been there! The Guild members were looked after royally with plenty of shelter from the rain so that we could serve up food and beverages to a "high-balling go get'em" group of 80 to 95 Beavers and parents.

A special mention to Derek Beckett, our fearless leader, and Derek's boss Ella. These two are pro's. They, along with new member Helen Franklin, served up the Hot Dogs, Chips, and Popcorn assembly style.

Then Dick Stewart and June Stewart took over dispensing gallons of Juice, Coffee, and Hot Chocolate.

28th hard at work.

At the back of the serving area there was a fantastic fire going that Barrie Lockton, fire bug and Area Commissioner, started to keep the Beavers, parents and the ranch dog happy.

Our group secretary Wim Houben arrived to help the other groups as his Beaver colony decided not to show due to the rain.

Our thanks go out to 201 Leonard Ranch, Sue and Michelle ... Valleyview Beavers, and all the Beavers and Parents whose wholehearted help and participation made it a very successful Beaveriee.

29th (Nanaimo)

Though a small Guild of only 5 members, we continue to be active with supporting Scouting in various ways.

Our annual fund raiser at Country Club Mall in December, selling toys and wood crafts, was very successful. The monies raised enabled us to do-

nate funds to the local Scout Challenge Camp and the CIA Annual Summer Camp at Marble Bay.

For the first time since the Guild was formed there have been no local Scouting activities in the form of Campfires, Church Parades, Beaver Fun Days, Hike for Hunger (during Scout/Guide Week) etc. for us to sup-

port. Consequently we were limited to doing screen-printing at the Challenge Camp and providing a beverage and snacks tent at the very successful 2nd Annual Canoe Challenge event at Quinnell Lake.

During Scout/Guide week we set up a Scout Memorabilia display at Country Club Mall that was well attended.

Our social activities continue with the monthly meetings, Christmas Party and dinners at the local pub. We have maintained our support to Camp Caillet at various meetings and work parties.

Guild Long Service Awards were presented to Alien Gough for 20 years, Phil Brookman for 20 years, Ron Pitts for 15 years and Pat Baldassi for 10 years. We also presented Awards of Recognition to 5 local Scouters for their services to Camp Caillet.

- Phil Brookman

35th (Kingston, ON)

Greetings to all from the members of the 35th Guild in Kingston. We all enjoyed a peaceful summer which began with our annual BBQ at Selby Hall in Kingston. We were lucky to have enjoyed the company of members from the 7th Guild in Ottawa for the event.

Then the fall returned & with it our responsibilities. We once again started off the year by providing Security services for the Brotherhood Camporee in Morrisburg, Ontario. Oth-

ers of our members worked in the canteen and camp kitchen. All who attended enjoyed the weekend.

In late October we hosted the Ontario Provincial AGM. Due to problems with communications we were not able to reach a quorum but an informal meeting was held to discuss concerns of the members present – which was mainly communications, Privacy Act & conflict between the Provincial By-Laws and the National Constitution. Minutes of the meeting will be circulated in the near future.

We are gearing up for our annual Christmas Pot Luck dinner and gift exchange on Dec 6th at Selby Hall. We have made commitments to providing KubKar, 18 Wheeler & Beaver Buggy kits to all youth registered in the Loyalist Area. These events will be held as part of Scout/Guide Week.

We wish everyone a very Merry and Happy Christmas Season.

September 19th in Mt. Pearl, NL hosted by Chief Scout Steve Kent. Nine of our Guild served about 120 volunteers that morning. Attached photo shows some of the Guild members at the event including new Guild member, Peter Kent, father of Steve.

On the 18 October 6 members of our Guild participated in

an Autumn walk through Bowring Park. The May JOTT was so much fun we decided to continue with a fall one.

There are plans to have a Guild hike several times a year.

Attached are two pictures, one of Baden Powell who rode a horse to the cabin in 1935 and the second of the seven Guild members who re-traced the trek.

France is not as far away as one would think. A group of the 44th B-P Guild members, wives and friends paid a visit to the French island of St. Pierre about a two hour ferry ride off the South coast of Newfoundland and Labrador. The group spent two days in August 2009 on the island exploring and enjoying the French atmosphere. French food, wine and pastries were enjoyed by all.

Our Guild helped at the Scouts Canada breakfast for volunteers held on

57th

We now stand at 19 members and most are participating well in all activities. We are always on the lookout for stragglers.

Our finances are quite healthy and helping scout groups and supporting local Scout Camps.

Our mem-

ber Jim Lindsay (80) has gone home. He had just received his 50 years of

vice medal. Jim will be greatly missed as he was our guide that kept us in line. Members of 57th Guild stood vigil (in teams of 2) for the time Jim was laid out (Photo with the scouter with the cub salute). Family and friends really appreciated this.

44th (St. John's, NL)

The 44th B-P Guild, St. John's, NL took up the challenge and participated in a two & a half hour trek on Saturday, May 9, 2009. Seven members of our Guild re-traced a hike done by Baden Powell in 1935 when he visited "Felach na Gael", a log cabin of the 1st. St. Andrews Rovers at Three Pond Barren, NL Unfortunately, the trail is over grown and the cabin no longer exists, however, the site is still there.

Member Stuart Brown also has left us and gone home, Stu was 85. Scouting for close to 60 years. He was a role model for many of us. He will be sadly missed.

Again this year we were very busy with organizing events for the scout groups. We finally finished a camp-site gate at Powerscourt Scout Camp (see photo) that

we dedicated to the memory of Jim Lindsay. We are planning another gate this fall to be finish by next spring.

We are celebrating our 10th anniversary this year and we had a badge made to commemorate the event. We had a design contest within our Guild, and the winner was member Ed Conrad.

We are planning many activities within the year to celebrate this great

Gate entrance at Dunn Scout Reserve. Dedicated to Jim Lindsay

anniversary. I'll report next time in the *Mamook Papah*.

Our stamp bank is again growing and we should send a package soon.

As we finished our 2008-09 season, we finished our meeting at the reversing falls restaurant with an invitation to wives and friends to join us for a small wrap-up meeting and then supper. We advised our members of a "Plaque" presentation which was being made in memory of one of our members, Harold Fanjoy, who was a former MLA in the New Brunswick Legislature. The service was very nice and attended by a large crowd; members of his family made honor speeches in his memory, and then a plaque was unveiled and presented to the church in his honor.

During the past year, we also helped out at a scout camporee again in New River Beach with the usual hot chocolate stand. Everyone had fun.

The next event was at the International Camporee in Calais, Maine, where a couple of members who are members of the BSA, helped out with planning and doing projects, 2010 is the 100th anniversary of BSA, and we hope to have lots of attendees helping them out.

We also have a project ongoing: it is a "Field of Honor" being established for all scouters who have "Gone home" at Camp Hoderville. It is currently on going and we hope to see it evolve during the year.

This year we hope to complete some projects and start new ones as our membership continues to stay at a normal number.

In fellowship I remain yours truly

66th Peterborough

Since most of our Guild members are fairly active with Colonies, Packs, Troops and Companies on a monthly basis, if not weekly now and then, the Scouting youth benefit not only from our years of experience but from our ability to either supplement the "regular" leadership or take on major leadership roles for short terms when necessary.

Of the 22 members, 11 attended the Gilwell Reunion at Blue Springs in September. Most of our members helped with Apple Week activities and some of us were at Scout House on Apple Saturday to count money and to refill apple supplies to the groups.

For their active Scouting service for over 50 years each, Arnold and Lenore Allen received Community Betterment awards from the City of Peterborough and from the Pathway of Fame committee. Before heading to the reunion on September 12, they were inducted with eight other citizens into the Pathway of Fame and their engraved paving stone marks the occasion on the Pathway in Cray Park near Little Lake in downtown Peterborough.

Major events such as the Scout Camporee in October, Remembrance Day, the Santa Claus Parade, the Olympic torch run, the Area Winter camp for Scouts, the Scouters' Conference in January for the White Pine Council, the Kub Kar Rally, Floor Hockey Tournament, the 18 Wheeler races, the annual Cub Winterfest camp for the Area and Scoutrees Planting are many of the events our Guilders support with their leadership. Some of our members give sessions on the Training teams.

At the Scoutrees Planting site, and at the 18 Wheeler races we provide the refreshment canteens with all proceeds going to our Kawartha Waterways Area Youth Assistance Fund.

At our May 8th meeting, Past B-P Guildmaster Ron Hatton presided at the Investiture of new members Jane Balfour-Park, Ian Armstrong and Mandy Smith. Service pins and certificates for five years of membership were presented to Arnold and Lenore Allen, Lorrie Cooper, Fran. Edwards, Wayne and Donna Ferguson, Grace and Ron Hatton, Tim Hatton, Vic McIntyre, Barbara Ramsay, Evelyn Rosenburgh, and Ron Ross.

At a potluck supper and business meeting on November 15th we hoped to welcome new members and plan our Guild events for the year in and around the members' busy schedules. After all, this whole movement of Scouting is for the youth.

68th (Lethbridge, AB)

68th Lethbridge Windystone is alive and well in southwestern Alberta. We are happy to report that we are no longer the only BP Guild in Alberta as the 101st Edmonton has joined in the happiness of B.P. Guilding. We underwent some trials and tribulations this year as a number of our members suffered from health problems, like hip surgery, knee surgery and other such maladies of older age. But we are still here, all 18 of us.

And due to some of these health problems, we were not needed at the Rover E-Vent this year, or so the host Rovers decided. We think that they just got tired of cheese and macaroni, macaroni salad, macaroni pancakes,

Reports from the Guilds

69th (Niagara, ON)

and macaroni muffins. Well, when you're near the Durum wheat capital what does one expect? We did try to assist with honors and awards for Windstone Area this past year, but with a whole new change in council administration it was a bit tough. We did celebrate our usual potlucks at Christmas and our Sgt. in Arms 65th birthday in March. We did try to also help out with a river valley exploration hike (but it was unfortunately cancelled). Oh well, this at least saved all our talents to work at the Alberta Jamboree held at Camp Impeesa in July. Almost 1000 youth and adult participants enjoyed the torrential downpour (Monday and Tuesday) and summer heat (humidity) associated with mid-summer in the mountains. Twelve of our members supported this event from Arrivals and Departures to Sub Camp Services and Programming activities for the week of July 11th through 18th, 2009. Out other big service for the year was helping the local rover crew sell programs at the Lethbridge International Air Show held a week after the Jamboree. Besides helping the youth, everyone enjoyed another visit (aerial show) by the Snowbirds of the Canadian Air Force. Almost our whole membership assisted with this program.

However, the highlight of the year was the celebration of our 5th year of service within the Canadian B.P. Guilds. 10 of our members were presented with their 5 year awards by visiting Scouting Guild Fellowship Vice President, Mr. and Mrs. Doug Stanbrook on June 21st, 2009. The other big news was that our membership finally allowed a change in hierarchy, with a new Guild Master, Secretary, Treasurer and other essential member postings taking office as of August 01, 2009. Unfortunately, the new Guild Master, William stated that it was still my duty to send in the report to Mamook Papah for the year.

In the Spirit of Fellowship,

- Larry Jones, Past Guildmaster

The Frozen Apple Pie Sales for this year's fund raising event once again was very successful. Three Saturdays brought about the completion of 257 fresh/frozen pies to meet the advanced orders received. Since all the apples were generously donated, our profit margin adequately improved. What we hadn't counted on were the few disappointed customers from last year, when all the pies were sold and they missed out in getting their order in.

When you think conservation lately, the colour green comes to mind. Environmentally speaking around 200 Cubs, their leaders and an adult support team, met at Blue Springs Scout Reserve, the last weekend in September for this year's World Cub Conservation Camp. Part of the learning experience was how what we do to our community environment effects this world, globally. Air quality, clean water, reduce, reuse, recycle, healthy safe habitats for animals, insects, etc. as well as making building bird houses were presented by a very effective Scouting Team, keeping in mind greening our world doesn't happen overnight, as it is an on going process. The Cub World Conservation Badge was definitely one of the over all goals for the youth.

A few of the 69th B – P Guild members again volunteered to be on the team, noting it's not nearly as difficult to become earth-friendly, as you might think. Over this past year, 69th Guild members added similar contributions to support for Blue Springs Scout Reserve Activities Program – the Ecological Spirit Hike last October and World Scout Conservation Camp in May of this year. These days, going green with eco-friendly concepts, 'Pack it in – Take it out' is now becoming the norm at Blue Springs. Tiny changes add up to make an overall impact on the environment, and there is no better time than now to make changes.

Annual Dinner in April – There were a number of Niagara Gilwellians, that 'Went Home' over the past 2 years and a very meaningful remembrance program took place following dinner. Recognition of those 'Gone Home'

were Harold Detlor with over 60 years in Scouting, Jim Lee, Bob Chambers, Peter Sokach, William Cornick, Elizabeth Hicks and Ralph Niven from our Niagara Scouting Family. Although they were not members of the 69th B – P Guild, they shared their Scouting with all of us in one way or another as devoted leaders.

When non-Scouting people enter into conversation with Scouters, often they say, "I know nothing about your program - what you do or even why you do it." What they then learn is what you reflect. Niagara Scouters set out to change this and opened a day event in the beginning of October last year for the public to attend, watch, and participate. The day's program reflected just some of the things we do. This year, 'Scouting 101' will once again see Guild members offering their service to Dutch Oven Cooking skills, and the Trails End Popcorn booth. Assisting in the promotion for this event, an 18-foot, hand painted banner was made by one of the 69th Guild members. Niagara Area had an increase of 118% in their registrations last year and is hoping to do better this year. Some of us think 'Scouting 101' was a contributing factor.

At Niagara Area September's Scouter's Club, 69th Guild member, Scouter Jack Angel received a Certificate from the Governor General and his 50-year pin for Years of Service, as a leader in Scouts Canada. For Jack, it has been a lifelong commitment. As a youth he was the first youth to receive the Queen Scout in Canada. However, Jack will tell you it was only because his last name started with an "A". Over the years, Jack has been very active in Niagara as a Troop Scouter, Venturer Adviser, Water Safety Chair, ORCA Canoe Instructor, Trainer, Service Scouter and District Commissioner. He has attended numerous Jamborees, as Offer of Service. The last one was this past year at Scotia Jam. He received his Silver Acorn Award in 2007.

88th (ON)

Since our last submission, which was some time ago, we did not drop out of the race. We have been busy, but it's difficult to keep things sorted out. So many of us are running our own groups, and also members of the Gilwell Club, that it keeps us busy. We have our meetings about every two months at a local restaurant. Some members travel on business and may be gone for a while. More recently Trevor Stephens fell off a ladder and had to have a hip replaced. Two of our members attended the 2009 A.G.M. In Kingston, (no comment). We do have Shirley Blair, who is as active as she can be, a great organizer, turn out for whatever is happening in the area, and runs her own group. It's hard to keep up with her and we very much appreciate having her in the Guild.

It's election time again, and when it is known who is doing what it will be made known, but under the privacy act of course.

This past year we had a few fund raisers, which were beneficial and are planning a couple more for next year. Trying to get manpower with the various Scouting events going on, seems to be one of our major problems. Just not enough days to work with.

We are in the process of trying to increase our numbers which should alleviate the situation.

We wish everyone a Happy Christmas and a Merry New Year for 2010.

99th Blue Springs

The 99th B-P Guild started September 1, 2009 with a mandate of providing support for Blue Springs Scout Reserve. All of our members are expected to provide 99 hours of service to Blue Springs each year.

The first major project was providing support for the Ontario Gillwell Reunion in September. Many of our members were on site from Tuesday thru Sunday providing aid to the Camp ranger Paul Garofolo. This involved setting up marquis, installing new bed

lights in Ridley and solving problems for the contingents.

In late October provided support for the Annual Eco-Spirit Walk. At one point we had ten members providing support for this event. Over 400 Beavers, Cubs and their leaders participated enjoying an educational and fun day at Blue Springs.

Each week you can find members on site helping with maintenance - cleaning windows, changing light bulbs, repairing picnic tables and other required items as necessary in support of the camp.

The support to Blue Springs provides us with an opportunity to have fun and provide infrastructure for Youth programs.

Cars afar roar and rumble.
 Odd voices slice quiet black air
 Dog barks sharply – a door slams
 Sounds of night as I cool and hark.
 Settle my soul – sleep near
 Dream-floating, drifting emerge
 Flashing scenes in jumbled fevers.
 Wind growls, whispering leaves
 rustle
 Vibrating wires hum and zing
 Soft drops moisten welcoming
 grasses.
 I am here on earth for a short spell
 Three-fourths gone, have I at-
 tained
 God-given tasks: moulded three
 lives?
 Yes, it is done -- done well.
 Sleep forever will come.
 Miss you.

---M.L. Drabble (2008)

The above poem was found among Mona's notes, in her own writing. It was composed by her a few months before her death.

MONA LELA DRABBLE

(Wheadon), 79, Williamswood, passed away peacefully at home on Tuesday, September 1, 2009. Born in Halifax, she was a daughter of the late Kenneth and Lela (Nickerson) Wheadon.

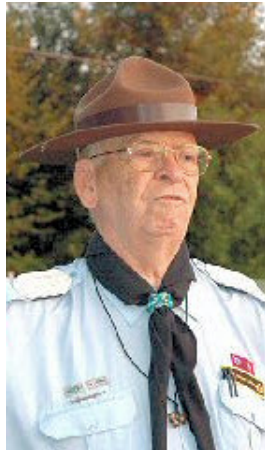

Mona was a much loved elementary school teacher with the Halifax School Board for over 20 years. She was a member of Boy Scouts of Canada and was the Secretary of the 12th. Canadian B-P Guild. She was an active member of St. Paul's United Church, Spryfield including the Fry Board. An avid and passionate artist, she spent many hours painting and enjoyed teaching painting at St. Paul's Church. She was also a member of the Bedford Artist's Society and was President of the Association of Atlantic Area Artists.

She is survived by her son, Dan (Ajantha), Halifax; daughter, Virginia (Dale) Arsenault, Herring Cove; grandson, Kirk Drabble; and granddaughter, Onika Drabble, Halifax; brothers, Ralph (Jan) Wheadon, Timberlea; James (Linda) Wheadon, Coldbrook; sister, Betty (Ron) Taylor, Greenwood; and many nieces and nephews.

Jim Lindsay

One of our members, Jim Lindsay, has Gone Home on July 1 2009. He was 80 year old, born in 1929.

Member of Scouts Canada for 52 years and the 57th Guild for 10 Years. Jim was our guide, mentor and advisor. He kept us in the right direction. We will

miss his wisdom and compassion. His totem name was "Proverbial Panther"

Marilyn Moore

MARILYN PHYLLIS MOORE: 63, Hammonds Plains, was born in Halifax, and was the daughter of the late Walter and Jessie (Ross) Drysdale.

Marilyn spent many years as a grade school teacher. A career that she proudly retired from. She dedicated her time for over 30 years to the Boy Scouts of Canada and was still active in the 12th. Canadian B-P Guild at the time of her death. She had just served as the coordinator of registration for the Nova Scotia Provincial Jamboree in July. She was active with the Mainland South Heritage Society where she helped as a genealogist at the Captain William Spry Center.

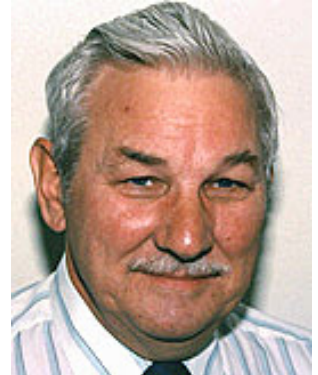

Marilyn is survived by her beloved husband of 39 years, William, her treasured son Mark (Jania), Toronto ON, her cherished granddaughter, Ruby, nephew David, as well as many other nieces and nephews. She was predeceased by her parents and brother, David Drysdale.

The family would appreciate remembrances sent to the charity of one's choice.

David Ridge

David Ridge, one of the 7th Guild's founding members,

has lost his battle with cancer and died on September 12, 2009. He was the Guild's Historian and a long time member of the Catering Team.

He was a holder of Scouting's Long, Faithful and Effective Service Medal and Bar (50 years). For his especially good service to Scouting he received his Medal of Merit and recently, Commissioner Doug Hall, Voyageur Council, presented David with Scouting's Commemorative Centennial Medal.

For his long and faithful service to our Guild David was awarded the B-P Guilds of Canada Recognition Award medal. In addition, he recently received his Certificate and Pin for his 25 years in the B-P Guilds of Canada.

Guild members of the Ontario Fellowship of B-P Guilds will remember him from his annual attendance at their AGM meetings, wherever they happened to be held, along with his support for all of its activities.

Scouters in Voyageur Council will remember David as a Cub leader, Area Cub Service Team member and one of the enthusiastic organizers of his Area's annual Kub Kar Rally.

David will be very much missed, not only for his unique personality, but also for his dedicated and faithful service to both the B-P Guilds and Scouts Canada.

Donald Woodford

Member of the 44th Guild St. John's passed away on August 8, 2008. In his youth, Don was a member of the 4th St. Patrick, later a member of 1st St. John's Bosco, and a Scout Master from 1950 to 1983. He served on district staff at many levels for over 38 years. He did his work not seeking attention, as results were his reward. Yet some levels of recognition in-scouting were the *Medal of Merit*, *Silver Acorn* and *Outstanding Service to Scouting Medal*. Don and his wife Carmel were active Guild members since November 1993. He was Guild Master for 4 years. He will be sadly missed by all who knew him.

22nd's Western Trip

(Continued from our last issue)

After the tour of the Pacific Cannery, we went to Breakers Cafe for lunch which had a fantastic view of the Prince Rupert Harbour and one of its marina's. After lunch we walked through Cow Bay Historic Site that had some unique gift shops as well as an artisan shop. Soon we find ourselves at the magnificent Northwest Coast longhouse overlooking Prince Rupert Harbour that is home to the Museum of Northern BC. The longhouse is made up of massive cedar timbers complete with cedar plank walls. Here we learned about the history and culture of Northwest First Nations during the 1800's and the traditional ways of the Tsimshian First Nation people through a guided tour by a young Tsimshian fellow. Some interesting areas of the tour were viewing the different native artifacts; the traditional ways the Tsimshian people made wooden masks and their bentwood boxes and its many uses such as storage of clothes and food as well as some were used in the process of cooking. The young native guide explained the unique parts and sections of a totem pole. After touring the Museum of Northern BC we stopped at the Pacific Mariners Park that pays

tribute to the many mariners lost at sea. Onsite is a statute of a mariner looking peering out to sea with an inscription reading "We Are Out There" and a memorial wall with bricks inscribed with the names of the many lost mariners at sea. Chris has family members that were lost at sea with their names inscribed on the memorial wall.

We had dinner at the Crest Hotel with anticipation of a succulent sea food dinner. We were not disappointed; however it did take a long time before we got our meals. After dinner we went to the United Church where Chris had an impressive display of Scout badges that she had collected over the years. The display covered 12 tables as well as some chairs where several badge covered blankets and neckers were laid out for us to view. Chris joined Scouting in 1950 and is still semi-active today. She has attended Canadian and World jamborees in which she collected badges with no doubles (other than some for trading purposes). Believe it or not, this all started with her getting a simple event badge in 1957 which has expanded to well over 5000 badges of all description today. Well done Chris! At the end of the evening, Chris had laid out in the kitchen area some crab, banana cake and juice for us to snack on.

On October 22 we were up early to get a quick bite to eat and fresh hot coffee at the local Tim Horton's. The weather was still windy; however the rain did subside from the down pour from the previous evening. We got to the VIA rail station at 7:30am and soon boarded the train for our return trip to Prince George. We left the station at 8am watching the waterfalls tumble down the bluffs on the hillside from the rainfall the night before. Going by the container port we observed many containers on their sides from the strong winds from the previous day. Soon we found ourselves slowing down and we all thought that there would be another delay for the freight trains. The conductor announced that they were advised that a slide had occurred ahead on the main rail line; we could expect a delay of six hours. He then advised they would be returning to the station. At the station the conductor said they would be getting a charter bus to take us back to Prince George as they did not

know how long it would take to clear the main line. Soon a 4 Far-West charter bus arrived at the rail station and we were loaded onto the bus and heading out to Highway 16 for our return trip home. The trip home was not the same as we could not group together and fellowship with each other. We arrived back in Prince George at 8:00pm somewhat tired of the day's event. Prince George is located at the confluence of the Nechako and Fraser rivers and is the hub of two major transportation corridors which serves as the gateway to Northern British Columbia. The once small town boomed in 1966-68 when 200 million dollars was invested here in the three large pulp and paper mills. Today, Prince George is also known as the White Spruce Capital of the world with a population of approximately 75,000 people. Over 2000 years ago the only people here were the Carrier Sekani Native Indians. The University of Northern BC opened in Sept. 1994 and has expanded every year with a medical program degree now being offered here. Prince George is home to the large Central Interior Railway Museum which is located across from the CN rail yards.

During our adventure trip to Prince Rupert we met a couple (Terry and Althea Malligan) from Australia who was visiting our country by train. They left Perth Australia on October 11th arriving in Vancouver on the 12th whereby they purchased their VIA rail tickets for their adventure across Canada. Terry noted that their ticket receipts were six feet high and they were still unfolding themselves on the ground when he was holding them up. The first leg of their trip was to visit Vancouver Island to have high tea. They found the Island very interesting with the Chief of the First Nation who toured them around. Then back to Vancouver to embark on their train trip to Jasper but unfortunately they missed most of the coastal mountains because of darkness but they did see some of the mountains under a moonlight night which they said were awesome. The next leg of their trip was from Jasper to Prince George where they saw the lovely Rocky Mountains covered with snow; the Guild group met Terry and Althea after we had left Prince George. Their trip took them to

Annual General Meeting

The BC Fellowship came together for a weekend in September, to hold their AGM and to enjoy some time together. The host guild was the 15th which is based in the beautiful village of Qualicum on Vancouver Island. Although small in numbers they did an excellent job of arranging the venue and food for our AGM. This year we did something different, by holding the meeting on the Saturday afternoon in stead of on a Sunday like we always have, and it went very well, leaving Sunday free for anyone who had to return home early while the rest of us went sightseeing and shopping. The Executive now consists of Isbel Nebel (Pres.) Don Copan (Vice) Bev Carl (secretary) John Carl (treasurer) and Tom Stewart (past Pres.)

I think the main problem that every guild seems to be having, is maintaining membership, and all the Guilds will have to put on their recruiting caps and try to bring in younger members to maintain a viable group. I personally am looking forward to the next two years and working with all the Guilds in BC.

Prince Rupert back to Prince George then east through to Toronto, Ottawa, and Montreal then to Halifax Nova Scotia. Their trip took approximately one month and they both enjoyed our country and all of its lovely scenery. Tim has kept in touch with Terry through E mail letters.

We found the train crew (especially the conductor Gilbert Pouliot) friendly and considerate to its passengers. They went out of their way to ensure the passengers were looked after; an example of this is

when we were arriving as well as when we were leaving Prince Rupert.

Guild members on the trip were: Elsie Adrian, Trudy Rae, Rosemary Allen, Roy and Sandra Goodkey, Dave and Mary Paulson as well as Tim and Gail Thompson. Special thanks to Coos Green for touring us during our adventures in Prince Rupert. We close the event diary with a poem written by Rosemary Allen outlining the adventure seen through her eyes.

Canadian Fellowship of B-P Guilds Scholarship

The Aims of the Canadian Fellowship of B-P Guilds are to encourage the members of B-P Guilds within Canada:

- a) To keep alive the spirit of the Promise and Law.
- b) To bring the Scouting spirit into the communities in which they live and work; and
- c) To actively support Scouting and Guiding in their communities within Canada and worldwide.

The Objectives of the Canadian Fellowship of B-P Guilds are:

- a) To establish a liaison and a co-operation between the national organizations of former Scouts and Guides;
- b) To establish B-P Guilds in areas where no such B-P Guild exists; and
- c) To promote friendship amongst former Scouts and Guides within Canada and throughout the world.

Scouts Canada Foundation has offered the Canadian Fellowship the opportunity to have a "Named Scholarship" which would be awarded annually to a youth member of Scouting. This scholarship is in the amount of \$1,000.00 and will be awarded alternately (East or West) to a youth within Canada.

The recipient of the "**Canadian Fellowship of B-P Guilds Scholarship**" must be an active member of Scouting and be under the age of 26 on January 1 of the year of the application, and attending a university or college. Scouts Canada Foundation and their volunteers will make the selection based on the applications submitted. The Scholarship will be named the "**Canadian Fellowship of B-P Guilds Scholarship**". The \$1,000.00 is sent directly to the University or College named in the application. Hopefully a B-P Guild will be in the area of the recipients' home town and will be able to present a Certificate and submit pictures of the presentation to Mamook Papah.

We believe that you will agree this is a worthy way to promote and support Scouting here in Canada and will bring the Spirit of Scouting into all our communities.

The ISGF, at their 10th General Assembly in Austria in 1973, and in cooperation with WAGGGS and WOSM, initiated the "J.S. Wilson Fund". This annual grant, known as "J.S. Wilson Scholarship" enables the recipient to attend training courses, seminars and conferences. However, according to the I.S.G.F. Website there has not been an award issued since 1999. It is not our intention to take anything away from the J.S. Wilson Fund, but we believe we found a way to support Scouting and the Scouting Youth right here at home.

The Canadian Fellowship of B-P Guilds will initially launch the Scholarship Fund by donating the first \$1,000.00

So how can you help? Individuals and Guilds are encouraged to forward their donations to the National Treasurer earmarked for the Scholarship Fund. All donations will be published in *Mamook Papah*

With the support of the Guilds, it is hoped that we surpass the \$1,000 mark each year so that the Scholarship Fund becomes self-supporting.

Only you can make it happen.

Robert Heath, Secretary, (left) received the B-P Guild of Canada Recognition Award while Edmund Ozols (right) received his 30 years certificate and pin. Edmund, Guildmaster, helped establish the 6th in 1975 and is the last original member.

Members of the 6th (Weston) who recently received their years certificate and pin. Left to right: Joseph Godwin, Robert Heath, Edmunds Ozols, Frank Kramar and Manack Saththa.
