On a beautiful West coast day, Saturday 2010 / Oct / 02 in Port Moody BC, your new executive was installed. The day was unique, as for the first time the National Executive had the opportunity to put together a day that combined the BC Fellowship AGM and the National Canadian Fellowship TGM, as well as the Installation. The AGM was presided over by Isabel Nebel, the BC Provincial Guildmaster, and the TGM was under Jane M Johnston, the National President. The day was hosted by the 40th B-P Guild under the directorship of Gord Ennis (Guildmaster 40th B-P Guild). Approximately 60 B-P Guild members, from near and far, and invited guests attended.

Unfortunately Michel Lajoie (Assistant National Guildmaster) was unable to attend but we were able to invest him via Skype.

After the Investiture, Jane M Johnston, out-going President, passed the Gavel to incoming National Guildmaster Doug Stanbrook and the incoming execu-

utive were then presented with their new name tags and titles.

Your new National Executive is:

A special “Thank You” to all B-P Guild members, the Venturer and Guide and guests who assisted and participated in the installation ceremony. Photos of AGM and TGM, compliments of Rob Hebden 38th B-P Guild (Sur Del)

REPORT FROM THE BC PROVINCIAL FELLOWSHIP OF B-P GUILDS AGM

The BC Fellowship came together again in October 2010 for a very special AGM due to the National Triennial General Meeting held on the same day. We met at the Boat House on the banks of Burrard Inlet and it was a beautiful weekend, weather wise! The 40th B-P Guild (Tri Cities) hosted the weekend and it was a pleasure to watch Doug Stanbrook, of the 40th B-P Guild installed as the new National Guildmaster.

At the BC AGM every thing ran smoothly and the only changes to the executive was that Don Copan stepped down as Vice President and was replaced by Alex Hadden as Asst. Provincial Guildmaster. We thank Don for all his work for the BC Fellowship over the years. After all the meetings and investitures were over, Alamin Pirani, Council Executive Director for BC/Yukon, presented June King (40th B-P Guild) with her pin and certificate for 65 years of dedication to Scouting.

In the evening, after a lovely buffet dinner, the 1st Port Moody Venturer Company, who were the 2009 winners

of the Amory Award, shared their experiences (including the bears) the photos and equipment used on their trek along the West Coast and Juan de Fuca Trails. The Amory Award, in itself, is a very impressive plaque, and what is more impressive is the fact that this group won the same award in 1999, when they took another trek.

It was a good weekend, renewing old friendships, making new friends, lots of good food, a never ending supply of coffee and memories to carry us through to next year.

- Isbel Nebel, Provincial Guildmaster BC Fellowship of BP Guilds

Renewing Friendships at 2010 Triennial General Meeting

The Executive of the Canadian Fellowship of B-P Guilds Wish You A Merry Christmas and Happy New Year

Scholarship Winner

Scout Award and the Queens Venturer Award and is working toward the

Gold Duke of Edinburgh.

Throughout her Scouting career our recipient served the Scouting community by volunteering at numerous weekend camps and week-long camps each year. This recipient also managed to volunteer in both Scouting and non Scouting camps in four different countries

on three different continents.

Our recipient has been a member of two different Venturer Companies & Rover Crews while working toward acceptance into post secondary school. She has been a Cub leader for the last

two years, has been a Venturer / Rover and a Medical Venturer / Medical Rover for the past five years, has achieved the highest youth status available to a Medical Venturer and worked at CJ'07 in that capacity.

She has worked at Halliburton Scout Reserve and will be there again this summer, is a trained lifeguard and is working toward her rappel master status. All this was done while accumulating over 1500 volunteer hours for high school.

She has been accepted into a post secondary paramedic program, a program that seldom accepts people right out of high school. She applied to one of the most prestigious environmental leadership programs offered at a Canadian University, and was one of only 15 accepted into the program. This is an incredible bio for such a young person - what an inspiration!

It is a great pleasure and honour to present the 2010 Canadian Fellowship of B-P Guild Scholarships to Nicole Baker.

The recipient of the 2010 Canadian Fellowship of B-P Guilds Scholarship started Scouting as a Beaver and has progressed to achieve the Chief

Executive Committee, Provincial Guildmasters and appointees

Eight regular meetings were held during the year followed by 3 special gatherings. In June we enjoyed a great lunch at a local Golf Course Restaurant followed by an August picnic at our former Dogpatch Campground, although the land is in new hands, we are welcome to enjoy a day of friendship and fellowship. We also enjoyed a great Christmas dinner outing in December.

In February we joined the local Scouting movement for their Scout/Guide Week activities. This year four Guild members were invited to attend the 2nd Quamichan Group Leaders, youth and families Annual Scout/Guide Week Banquet. We assisted 8 youth who attended the Scottish Jamborette, and the 1st Shawnigan Scout group who went on a cycling tour of the Kettle Valley. Guild and Scouting Service Recognized

At the April 19th meeting of the 7th Canadian B-P Guild (Bytown), Bill Gibson was pleased to receive pins and certificates marking his service to not only the B-P Guilds of Canada but also to Scouts Canada.

As an Honorary Officer of Voyager Council, Don Judd presented Bill with a 25 year Bar to his *Long, Faithful and Effective Service Medal*.

As a member of the Executive Committee of the Canadian Fellowship, Bill Fettes presented Bill with his B-P Guilds of Canada 5 year service Pin and Certificate.

Reports from the Guilds

Guild members welcomed our new Council Commissioner, Mike Jowett, to our March meeting. He presented Bars to the Long Faithful and Effective Service Medal, to George Dunne (40 years) and to Ab Kemp (45 years). Mike in his talk to members asked for our help, in the early Fall, to do follow-up calls relating to inquiries from parents about the location of Scouting groups within their communities. This chore is part of the Council's ongoing efforts to help increase membership.

because of diminishing numbers due to frail health and too many *gone homes*. We will sincerely miss the countless news reports and good wishes we have exchanged over the years.

Many members came out on a Saturday night in mid-March to help celebrate the 60th birthday of our hard working Secretary, Janet Smith. A fine dinner and much laughter were shared by all. The event was held at the Rideau Carleton Raceway.

Voyageur Council Commissioner, Mike Jowett, presents Ab Kemp with his 45 year Bar to his Long Faithful and Effective Service Medal.

Members, after reading the article in the latest *Mamook Papah* about the establishment of the Canadian Fellowship's Scholarship Fund, decided to donate their monthly collections to support this new Fund, instead of contributing these monies to the ISGF J.S. Wilson Fund.

Voyageur Council Commissioner, Mike Jowett, presents George Dunne with his 40 year Bar to his Long Faithful and Effective Service Medal.

Our Guild has long been twinned with the Dublin Guild in Ireland. We have received word from them that they have had to disband

Several members assisted with the packaging of orders and distribution of same for the Pacific Coast Council.

January has become our "Scottish Night" meeting where we get to taste Scotch as well as eat a variety of Scottish refreshments, courtesy of one of our members.

Our March meeting was followed by a slide and talk presentation by the 9th Northview Scouts, which we partly helped finance their trip to Europe.

March this year was Daffodil Days and several of our members volunteered to take shifts in staffing booths at local malls.

April is known as "Theatre Night", a date when nearly all of our members and their friends attend a presentation by the New Westminster Operatic Society.

At our May meeting we were advised of the proposed changes to the Constitution and Bylaws of the Canadian Fellowship. During the break, we viewed an historic video of the old B.C. Electric tramlines of the pre 1950's between Vancouver and New Westminster.

Again this year we financially supported various Scouting Activities, Cabin 22, Carriage House, and badges for 2010 Cuberec, I am most appreciative of the support of the membership and their willingness to volunteer for Apple Days & Popcorn.

We know that annually several hundreds of thousands of dollars go into supporting the various programs of the Scouting movement in the Lower mainland of BC as a result of Guild members' participation.

- Don Copan, Guildmaster

9th (Burnaby)

We are maintaining our membership at 28 and keep encouraging several of the younger Scouters to join us.

September is our Meet&Greet meeting. After our meeting we had a presentation of the history and makeup of the Burns Bog, by the president of the Burns Bog Conservation Society.

Apple Day saw 15 of our members participate as we organize the entire event for the Area. Over \$10,000.00 dollars was raised that was distributed to the Burnaby Area Groups on the basis of their participation.

November is our AGM. We had 24 members and 22 guests sit down to a dinner catered by the 9th Northview Scout group. Guests included members from the 38th, 40th, 42nd, and 48th B-P Guilds as well as Pacific Coast Council and community supporters.

22nd (Prince George)

We have 12 active members. Our meetings are held monthly (except July and August) at Blackburn House to address activities and outstanding business items.

Several members volunteered with manning the Christmas Kettle campaign for the local Salvation Army. Over the past few years our Guild has adopted a local family for Christmas through the Salvation Army in which

Reports from the Guilds

we purchase food and gifts for them to enjoy Christmas. This past year we provided Christmas for a single mother and her two children.

Some of our members met with the Provincial Guildmaster (Isbel Nebel)

We also held two coffee meetings at the local Tim Horton's and a Christmas dinner meeting at a local restaurant.

We held our wind up meeting in June with a BBQ/potluck dinner at the Guildmaster's residence.

Two former retired leaders were invested into the 22nd B-P Guild.

B-P Guild Service Pins and Certificates were presented to some members by the Guildmaster.

Several members did a lot of community volunteer work, which was not associated to the B-P Guild, such as –Remembrance Day poppy sales, Community Policing, Red Cross, Festival of Trees and St. Vincent de Paul Society to name a few.

As the Guildmaster for the 22nd B-P Guild, I have noticed the growth and development within our Guild from the loyalty, hard work and dedication of its members.

- Tim M Thompson, Guildmaster

28th (Kamloops)

6 members served hot dogs, hot chocolate, tea and coffee and a shoulder to "dry" on for more than 95 beavers and parents who participated in a soggy Beaveriee.

In February, Scout Week had us taking over a small store in the Sahali Shopping Mall where we laid out a complete model of Ruckell Point Scout Camp, including old Scout, Venturer, and Rover uniforms and Campfire Blankets along with multiple happenings for the last 20-30 years. It was well received and inspected by all.

Our Guild provided a post for Nite Trek.

Scout Trees saw us supplying hot chocolate and coffee (and donuts supplied by the "commish") to a goodly number of Beavers and Cubs who were replanting Heffley Creek Sports

Park, which had suffered from the beetle infestation.

We enjoyed an informative meeting with Isbel Nebel, President of BC Fellowship, who discussed with us the depleting membership of B-P Guilds and what can be done. It was felt that with 30 to 50 years of service, many were no longer interested and had a wish to place one's ambitions in another part of the service world. Or, if it were possible, come to our "dinner" meetings for the fellowship and discussions as an outgoing retreat.

- Wim Houben, Secretary

29th (Nanaimo)

We have continued to support Scouting in various ways over the past year.

Our annual fundraiser at Country Club Mall in December, selling toys and woodcrafts, was very successful. The monies raised enabled us to donate funds to the local Scout Challenge Camp and the CIA Annual Summer Camp at Marble Bay to fund youth who otherwise would be unable to attend.

Due to lack of area activities, we were once again limited to doing screen-printing at the Challenge Camp and providing a beverage and snacks tent at the very successful 3rd Annual Canoe Challenge event at Quinell Lake.

During Scout/Guide week we set up a Scout Memorabilia display at Country Club Mall that was well attended. We continue to receive donations of memorabilia from former Scouters.

Our social activities continue with the monthly meetings, Christmas Party and dinners at the local pub. We have maintained our support to Camp Caillet at various meetings and work parties.

- Phil Brookman, Secretary

31st (Alouette Maple Ridge)

As of the end of the year, our Guild has 22 members including 3 new members.

The Guild adopted the new National Necker as an option for our uniform.

Service to Guiding and Scouting in the Area continue to be the focus of our activities. Many members are active Scouters within the Area and the rest of the membership continues to volunteer at Area events and activities.

In the fall we manned and operated an orienteering station at the annual night hike.

The activities that Tom Wood developed for this station proved to be both challenging and fun for participants of all ages.

The Guild was asked by the Area to provide cooking and feeding for the support staff at the annual Bearclaw camporee for Scouts. The food was well prepared, served and received. The six-member cook team had a lot of fun bringing our Hawaiian theme to the camp and we look forward to doing this again next year. Also at this camporee, Norm Preston provided an outstanding First-Aid service and Scout drop-in center.

Fund raising activities were kept to a minimum this past year. In February we hosted a very successful Founder's Dinner for any Scouting members in the Area. We held a Hawaiian themed Pub Night at the Legion in March to raise funds for a new campfire circle to be built at the Whonnock Lake camp.

For community service, Bruce Wilson entered a team in the Rick Hansen Wheels in Motion event held in June in Pitt Meadows. As well as having a good time, our team and Guild members raised \$1400.00 for spinal cord research. The Guild was well represented at the November 11 Remembrance Day service.

Social activities continue to be a highlight of Guild activities. As well as the socializing done at our fundraisers, we continue to support the Eagles Aerie 2831 by attending their socials. Den maintenance was kept to a minimum and we finally got rid of the Powder Post Beetle problem.

We have had a second successful year of activities under the leadership of our outgoing Guildmaster, Tom Wood and we hope he enjoys a well-deserved rest.

- Chris Guedes, Secretary

38th (Sur-Del)

The guild has 25 members

The Guild holds five meetings a year, usually at Strawberry Hill Hall. Our November meeting was the annual potluck and turkey dinner followed by the AGM and election of officers. In December, our annual pre-Christmas social evening was well attended.

We again provided a Christmas hamper to a needy family in the area. Some of us volunteered at Deltassist to sort food donated by service groups and schools in the Christmas food drive.

In May three members joined 50,000 other runners and walkers for the Vancouver Sun Run and enjoyed the good weather, the entertainment along the route and the outrageous costumes worn by some of the participants.

In August eight of our number were off to the Ryder Lake area of Chilliwack for the third annual weekend in the country as guests of two of our members, Ann and Ole Larsen. It was a great weekend of fun, fellowship, relaxation and food.

We also went hiking in the nearby park, a popular spot with the locals.

- Marjorie Ochitwa, Secretary

40th (Tri-Cities)

Our Guild membership has increased to 24 and we are always looking for more members. We meet 5 times a year formally and a few times socially. Our meetings are held at the Port Moody Station Museum.

A few of our Guild members continue to hold positions with Coho Area, and assist the Area and Council in areas such as training, camp cookeree, camp kick off, environmental awareness, etc.

In September the Great Canadian Shoreline annual clean-up takes place. This year the project was known as "BAD SEED", that involved invasive plant removal, and replanting of native trees and shrubs, within a park, adjacent to a water course. Our members who participate enjoy working with the Scouting youth as we not only make them aware of their environment but also gets them doing community service. (see photo)

Our Guild hosted JOTT for the 2nd year and was informed by the crest supplier, that as a B-P Guild, we had ordered the most crests at 295. So you know there were a lot of hamburgers and hot dogs being flipped and served by our members.

The 40th B-P Guild (Tri-Cities) started the 2010 / 2011 year by hosting the National TGM and the BC Provincial AGM. It was an honor for our Guild to do this, and we thank everyone that helped make it a success.

Congratulations to June King (a life member) who was presented her 65 year Scouting Service pin and certificate from BC/Yukon Council Executive Director Alamin Pirani. (see photo)

After the AGM/TGM and Installation one could go for a walk around the shores of the Port Moody Inlet; or take a tour of the Port Moody Station Museum. Those who took the museum tour were not disappointed as we heard wonderful comments when they came back. Our thanks to the museum curator, Jim Millar, who is also a member of the 40th B-P Guild.

Paul Whitfield was awarded the Silver Wolf by Scouts Canada for his Environmental Stewardship in Canada and around the world. Congratulations Paul from all of us.

As part of the Canadian Shoreline clean-up week, in cooperation with the City of Coquitlam and working with TD Bank employees and other volunteer groups, Coho Area Scouting and the 40th B-P Guild organized an invasive species clean-up day at Norm Staff Park. The day was perfect and 29 volunteers equipped with energy, smiles and a commitment to the environment.

In May the Guildmaster was invited to attend the Girl Guides of Canada, BC Council AGM and Annual Dinner in Vancouver.

In July we registered as a team to participate in the SUCCESS Walk with The Dragon and raised \$570.00 for the foundation. We had a nice day and a good walk.

Two outdoor activities were organized, one for early June and the other for late July, unfortunately, they were cancelled due to lack of participants.

- Wayne Lo, Guildmaster

44th (St. John's)

The Guild has a membership of 54 members.

Five formal meetings were managed, by a very active Executive Committee, at Scout HQ.

Some of this past year's activities included the annual Christmas potluck held at the Mount Pearl Track and Field Club, our annual February potluck social at Lions Park Chalet in St. John's, that featured a fund raising auction at which we raised \$500.00, 2 enjoyable bowling nights in April, participation in JOTT, in June our annual Jigg's Dinner hosted by Barb & Gary Davis, and ended the year with our annual BBQ, this year hosted by Bob Van Nostrand.

In August we assisted at the Scouts Canada popcorn booth at the Royal St. John's Regatta.

In August, the Guilds Cultural Touring Program continued with 25 Guilders and Guests traveling to Twillingate, NL for two nights. Accommodations were lovely with local Dinner Theatre and Concert being enjoyed by all. Guilders, and Guests also did ancillary tours of Morton's Harbour and the Auk Winery.

Through our fund raising activities this past year, we were able to make a \$500.00 donation to the Canadian Red Cross, through Scouts Canada, for the Haiti Disaster Relief. A special letter of thanks and commendation was subsequently received from Canadian Chief Commissioner Steve Kent.

The proposed Canadian Fellowship of B-P Guilds Constitution/Bylaw amendments were reviewed and approved by the Guild Executive. This endorsement will be put forth via conference call during the Canadian Fellowships Triennial Meeting.

We have considered and accepted the invitation from the Provincial Scout Commissioner to appoint a Guild member to represent the Guild on the Provincial Council.

- Ernest Reid, Guildmaster

48th (West Vancouver)

Our 2009 AGM was held in August at Camp Byng, where we dedicated memorial plaques to Murray Dunne and Charles Nash at the Retallack Chapel. We also visited the lions Den that had been re-roofed in memory of Bill Dickinson.

Several members attended the BC/AGM in Qualicum in September.

We held our Social Evening in West Vancouver and Les Strike was recognized for his service to North Shore Area Council, and was presented with an impressive trophy. Afterwards a video of the BC/Yukon Jamboree at Camp Byng was shown.

Our Guild helped to serve refreshments at the North Vancouver Remembrance Day parade, Scout/Guide Torchlight parade and for Scout Trees.

We held a theatre outing to see "Queen Lear" in April, which was most enjoyable.

We did not hold our usual Dot Dog sale at West Vancouver community days, as many of our members were going to be away at that time.

We have continued to send stamps for the Stamp Bank, though it is getting harder to collect them nowadays.

I was able to visit the Scout Museum in Kingston and met three members of the 35th B-P Guild. If you are traveling in that region, I would recommend a visit as they have a great display of badges, uniforms and many other interesting articles.

We plan to have members attend this years BC/AGM and investiture of the new National Executive.

- Barbara Stover, Guildmaster

61st (Saint John N.B.)

As we started off our meetings for the 2010-2011 year, one sad note, is that one of our Honorary members has "Gone Home" during the summer,, Margary Maby, who was very dedicated in the Girl Guides and Boy Scouts in her younger years,, she received many honors and awards in her work of the scouting world,,, she was remembered by a lot of the scouting people for her indulgents and share-giving,, she will be missed by all,,, also we have another member who has gone to live in Halifax Nova Scotia,, Malcolm (Mac) Moore., Mac went to live with his two sons just outside of Halifax,, He mentioned he would try and see if he could Join the Halifax Guild, we wish him Luck..

Our on-going project of building a "Field of Honor, up in Camp Holderville, is still a go, we hope to finish it by next year,,,

In September two of our members Mike Bonvie and Ed Patterson who also are members of the Boy Scouts Of America, attended a camporee in Moosehorn, just outside of Calais Maine. The weather was perfect for the weekend and all had a good time. Ed ran the operation Nighthawk there, and all youths fully enjoyed it,,,also it was won by a scout Group from Grand Bay Westfield N.B.(1st Ketepec)with troop scouter Brenda Graham,, Remembrance day ceremonies Nov 11th: our members for those who can attend will do so at Harbour Station again this year

103rd (1st Dartmouth)

This is our first year as a Guild Member and a great deal of time was spent in organization and contacting potential members. We established our primary project, which was to adopt a vacant cabin on the Halifax

... Continued from page 10

Region Scout property at Miller's Lake, Halifax, .NS. Our intent is to save a cabin from being torn down and fix it up for use, at no cost, by Scouting Groups who do not have the support necessary to maintain a cabin of their own, but need a place to go.

The first cabin we took over was beyond reasonable repair due to structural damage and infestation by ants. We then took over another cabin next

door, which was in good structural condition. The first cabin is being used for building material storage pending completion of repairs to the second. Once work is completed, we will dismantle the "storage" cabin.

Work on the second cabin is progressing well and it should be habitable by December 2010 or January 2011.

Recognition for Don Judd

At the April 19th meeting of the Canadian 7th B-P Guild(Bytown), Ken

Ken Hall, 7th B-P Guild Guildmaster, presents Don Judd with his B-P Guilds of Canada Recognition Award Medal

Hall, our Guildmaster, presented Don Judd with the *B-P Guilds of Canada Recognition Award*.

Don is a former President of the National Capital Regional Council, and currently an Honourary Officer. He joined our Guild in 1993 and has been a very active member ever since.

He served as Guildmaster for a three year term in which his leadership and experience helped the Guild to carry out its many activities, from fundraising to Council service. Don currently is the Guild's Registrar. He is responsible for all aspects of registering any of our Guild members who

wish to join Scouts Canada by taking out the Scouts Canada Special B-P Guild Membership. The Council has

given him the necessary level of access to enter the proper data in the MMS on behalf of our Guild. He does this job in a very thorough manner by maintaining a high degree of friendly alliance with the Council Registrar. Don is an active member of the Guild's Catering Team and when necessary has organized and conducted a number of its

undertakings. He is the leader of the "Judd Team" and as such organizes and closely directs a group of 4 Guild members who offer their services to the Council Administrative Office and National Council administration, to undertake a wide variety of chores, from stuffing envelopes for special mailings, to the sorting and filing of Scouters' Screening documents.

Don is one of two Guild members who serve on National Council's Committee of Friends of the Museum of Canadian Scouting. He is currently the committee's Secretary and until recent when he recruited another Scouter

to Chair the Committee, he was its guiding light, ensuring, in the absence of the previous Chairperson, that the Committee operated in a manner that established the fledgling group as a worthwhile entity in the eyes of National Council officers. He drafted the committee's Terms of Reference and put together its first operational budget as required by National's Director of Finance. He and the other Guild member are part of the team that is assisting the official photographer in his quest to photograph all the artefacts in the Museum for use on the Museum page of Scouts Canada's Website.

Don has contributed immensely to the last two revisions of the Canadian Fellowship's Constitution and Bylaws. His extensive and concise contribution to the contents of both documents was warmly welcomed by the Chairs of both national committees. These efforts of his will, without doubt, enrich the future administration of the B-P Guilds of Canada. In addition, he is currently a member of the committee tasked with the latest revisions of the Bylaws of the Ontario Fellowship of B-P Guilds.

He is a valued and experienced Guild member who all members turn to when they need advice or assistance. The Guild is very lucky to have such a dedicated and hard working member who has contributed so much to the success of our Guild's activities, as well as those of the national and provincial Fellowships.

1st Canadian B-P Guild (Vancouver)

Jack Goode

Jack was the catalyst for the founding of the first B-P Guild in Canada. It is not known if he ever received the recognition and gratitude that he deserved for this accomplishment, but then, Jack would not have been looking for accolades: his goal was to keep the Scouting spirit alive. It was a spirit that lived in him as a volunteer to the Movement for 73 years. Jack had a great memory and could recall every detail of his Scout and Rover experiences. About a year ago, during a Guild meeting, Jack spoke of receiving a telephone call that morning from his Scoutmaster, now living in England. Guild members were sceptical: for if Jack was age 90, how old was his Scoutmaster? Well, he quickly explained that his Scoutmaster was only three years older than him!

3rd Canadian B-P Guild (Cowichan Valley)

Thelma Prittie

An active member of the Guild as part of the kitchen committee. All will sadly miss her.

9th Canadian B-P Guild (Burnaby)

Dorothy Johnson

An active member of the Guild for many years, Dorothy "went home" just months after her 90th birthday.

Gordon Slark

He had been involved in the Scouting movement since the 1960's and as an active member of the Guild for the last 20 years

20th Canadian B-P Guild

Jean Box

On May 5, 2010 Mrs. Jean Box was in her 94th year. Jean was a long time member of the 20th B-P Guild.

38th Canadian B-P Guild (Sur-Del)

Emmy Bennett

It is with great sadness that we report the passing of Emmy Bennett in the spring. Emmy was a founding member of the 38th and her energy and enthusiasm are sorely missed.

Emmy was a member of 16th Sur-Del Group for eight years as group secretary, Beaver leader and Cub leader and four years with Sur-Del District on the service team and ADC Cubs. She was also active at the National level serving two terms as International Secretary.

Margaret Hammond

On Sunday March 14, 2010 Margaret Hammond passed away in the Barrie Hospital. She had been ill for some time with cancer. *She attended Gilwell Reunion's for several years and was from the Guelph Area, prior to coming to Phelpston.*

Pierre Laurin

Pierre was a friend to the Canadian Fellowship of B-P Guilds . It was his expertise that resulted in the Canadian Fellowship being able to obtain insurance for our members in 2007.

Pierre Laurin, has passed away following a courageous battle with cancer. Pierre was a valued friend and employee of Scouts Canada and his passing represents a true loss to us all. We were blessed to have his experience and expertise to guide us through some difficult challenges with our Insurance and Risk Management programs and

our current state is a testimony to his skill.
